What is your main sport/mode of exercise?

List any other sports/exercise you participate in:

Outline your current training/exercise program:

Day of the week	Type of sport/exercise	Start time	Finish time

What are your sporting/exercise goals?

Food Diary

AFTER

Please record all food and drink consumed over five days on the template below, reading the instructions

Instructions for completing your food diary:

- Follow your usual diet during the period of recording
- Include at least one weekend day
- Enter ALL food and drink consumed during the period of recording, including the time you consumed the food
- Enter at the time of eating/drinking, not at the end of the day from memory
- Be as specific as you can when recording the type of food, e.g blue top milk, NOT milk; Sanitarium Toasted Muesli Nuts and Seeds, NOT muesli; premium beef mince, NOT mince etc.
- Record the weights of food if you know these; eg. 1x 85 can Sealord tuna lite in spring water; 1x 125g carton Meadowfresh apricot yoghurt etc.
- If you don't know the weight of a food, use household measures, e.g 1 cup cooked basmati rice; 4 slices Molenberg Original toast slice bread; 2 tsp margarine, 1 Tb. Olive oil, 1 medium size apple, 2 medium size potatoes etc.
- Record if the measure is for the cooked or raw ingredient, e.g in the case of rice, pasta etc.
- Record cooking methods, e.g. baked potato.
- Remember to enter meal additions also, such as salt, tomato sauce, oil, mayonnaise, sour cream, salad dressing etc.
- When recording exercise/training, include start and finishing time for each session

Once you have completed the food diary template:

If you believe the food diary does not reflect your TYPICAL eating pattern, describe how your usual eating pattern differs from the food diary entries:

Day and date	Breakfast	Snack	Lunch	Snack	Dinner	Snack	Exercise
